18. (Unclassified - DFM) LIAISON Met with Sam Bouchard, Senate Select Committee on Intelligence staff, who asked me if the Agency had ever attempted to define the term "national security." Bouchard said Senator Barry Goldwater (R., Ariz.), Committee Vice Chairman, had asked him to draw up such a definition for inclusion in the intelligence charters now before the Committee.

19. (Internal Use Only - DFM) LIAISON Met with Earl Eisenhower, Senate Select Committee on Intelligence staff, and discussed generally the state of Agency-Committee relations. We agreed that a discussion between the Committee staff leadership and OLC and DDO representatives would be helpful and tentatively agreed on such a meeting late next week.

20. (Secret - DFM) ADMINISTRATIVE DELIVERIES Delivered to Susan Mahler, Senate Select Committee on Intelligence staff, a letter from the Director to Senator Birch Bayh (D., Ind.), Committee Chairman, regarding an inquiry about "originals" of certain documents that had not been located; a letter from the Director for Bill Miller, Committee Staff Director, thanking him for participating in the Perspectives for New Supergrades course, and statistics on [redacted] reporting, also for Bill Miller; a copy of a 1 July 1977 letter from Legislative Counsel to OMB regarding S. 2887, "To amend the Communications Act of 1934," for Earl Eisenhower, of the Committee staff; and two June 1977 studies regarding intelligence activities against international terrorism for Keith Raffel, also of the Committee staff.
